Design Education CIC is a non-profit community interest company. Our mission is to support the next generation of designers and makers. To find out more, visit our web site at www.designeducation.org.uk or email us at info@designeducation.org.uk

DESIGN CAMP SUMMER HOLIDAYS 2016

Once more we are at our base at the **Phoenix High School in Shepherd's Bush** for our Summer Holidays 2016 camp, designing and making **GORGEOUS GO-KARTS**.

We will be running this three day workshop from Monday 25th - Wednesday 27th July. The camp will start at 9.45am and finish at 3.30pm each day with our usual exhibition for parents on the final afternoon.

The workshop will be led by ex-cabinet maker **Adam Findlay** and is for **Y5 - Y9**. Adam is a D&T teacher at Kings Alfred's in Hampstead and has led several of our camps over the past two years. The pupils will design, make and customise their own **downhill racer go-kart**. The pictures on this flyer show you the prototype under construction.

They will learn the full manufacturing process of measuring, marking, cutting, drilling, refining, assembling and decorating fully functional go-karts which they will take (ride!?) home.

The cost for the three days is £90 with a small number of concessionary places available at £30. Space in the workshop is limited to 15 pupils.

Two forms follow on from this letter for you to fill in. Please then send the forms either by email to programmes@designeducation.org.uk or by post to Design Education CIC, 68 Sedgeford Road London W12 0NB

With best regards

David Baker
